

ABOUT ME:

I'm very positive and smiling person who would describe himself as creative and reliable person. My hobbies are travelling, hanging out with friends and often both at the same time. I enjoy swimming, walking and spending time with my pets.

MY VALUE:

Teamwork & Collaboration – I enjoy working with positive and motivated individuals, sharing knowledge and experiences to achieve common goals. I am a calm and composed person who performs well in dynamic environments.

Hard-working – I approach challenges with determination and a strong work ethic. I believe that with dedication and effort, obstacles can be overcome, and I am always motivated to find solutions where others see limitations.

Communication Skills – I have strong verbal and written communication skills, allowing me to convey ideas clearly and effectively. I adapt my communication style to different audiences, ensuring smooth collaboration and understanding.
